Bedroom Accommodation

Where will your guests stay can be a big part of where you choose to have your wedding celebrations and here at the Legacy Rose & Crown, we hold a minimum of 10 bedrooms for your wedding guests to book at a preferential rate. This is in addition to your honeymoon stay and the bride staying the night before (subject to package). We will provide you with a reservation number and group name for you to send to your wedding guests to quote at the time of booking.

All weddings are required to occupy 50% of the agreed number of held bedrooms. All unallocated bedrooms are subject to a six-week release.

Our bedrooms offer stunning views, relaxing tranquillity and luxury accommodation. We have a number of different styles of guest rooms at the Legacy Rose & Crown. Stay in one of our rooms in the 13th-Century section, here rooms have been lovingly restored to compliment the original oak beams and panelling but yet have subtle modern conveniences. Garden Wing Executive rooms are spacious with some rooms located on the ground floor providing doors opening directly onto our garden and riverside. Your guests can enjoy watching the wildlife on the river and watching the sunset over the Cathedral.

The rate for guest bedrooms as part of your wedding booking will be offered as part of your quote and subject to availability.

Testimonials

"We recently had our wedding at the hotel and I can honestly say we made the right decision to have it at the Rose and Crown. Katy the events manager and her team went above and beyond my expectations. The rooms looked AMAZING thanks to their hard work. ALL staff worked so hard in the evening too and were so friendly. I could not fault anything. If anyone is considering booking their wedding here, 100% DO IT."

"Where do I start...

To begin with there was a few ups and downs from the start of the booking (change of coordinators a few times).

But when Katy took over my previous anxiety and fears disappeared and from the get-go she made me feel at ease and that everything was in hand.

And my god what an amazing day it was.

I arrived the day before and from the second I walked in I was attended to and looked after (even had all my belongings taken to my room for me so I could enjoy a drink at the bar)

Katy was very involved the very next morning assisting with my flower and table dresser and even helped me with some last minute table plans changes.

Katy was with me right up until I walked down the aisle- I was a blubbering mess.

The hotel itself is such a beautiful idyllic setting inside and out.

The river behind us was an added bonus if you want to capture the most amazing photos.

The staff through our wedding was just exceptional and the food (BBQ buffet) was just that delicious that we are even arranging another family get together next year.

The feedback I had from all our family and friends was great and many looking forward to revisiting.

I can't recommend the Rose and Crown enough.

So if you are looking into possibly getting married here - I can assure you that you will not be disappointed with Katy at hand.

The biggest thank you to everyone at the Rose and Crown for making our day the most special day we could of ever dreamed of xxx"
